Subject: Reclamation Surety Required, Cox Transportation Company, Quarry Mine, Task #1804,  
S/023/096, Juab County, Utah

Dear Mr. Cox:

The Division finds your Notice of Intention to Conduct Small Mining for the Quarry Mine complete, however prior to conducting mining activities the Division must approve the reclamation surety. The reclamation surety is determined to be \$9,600 for the 2-acre project escalated to year 2010 and \$10,300 if escalated to 2012.

The Division was notified by State History that no cultural resources surveys have been completed in this area and recommend a survey since there is potential for affecting these resources.

Please submit the reclamation surety and Reclamation Contract within the next 30 days. No mining related disturbance can be created until the surety is received and approved, and you have received written acceptance from this office as well as other applicable agencies.

The reclamation surety can be submitted in one of several forms, including cash, an irrevocable letter of credit, a certificate of deposit, or a surety bond. Please contact Jed Pearson at (801) 538-5318 or e-mail [bondcoordinator@utah.gov](mailto:bondcoordinator@utah.gov) for assistance in completing this requirement.

Thank you for your cooperation to help finalize this permitting action. In reply, please refer to file number S/023/096.

Sincerely,

Susan M. White  
Mining Program Coordinator  
Minerals Regulatory Program
